Dr Anil Kumar Mishra is director at Institute of Nuclear Medicine and Allied Sciences, Defence Research and Development Organization, Ministry of Defence, Govt. of India. Currently, he is professor at Indian Institute of Technology Roorkee, India.

He obtained his M.S. (Chemistry) in 1984 from Gorakhpur University, Gorakhpur, and Ph.D. (Chemistry) in 1988 from Banaras Hindu University, Varanasi. During his career, he held positions as Post-doctorate fellow at Université de Bourgogne, Dijon, France; Research Scientist at University of California, Davis, USA; Senior Scientist at INSERM U-463, Nantes, France, and Visiting Professor at Max-Planck Institute, Germany. Dr. Mishra has published more than 312 papers, in various journals of international repute. Dr Mishra is granted US, European and Indian patents. He has received several awards and most prestigious one is DRDO-Young scientist by Prime Minister (Shri Atal Bihari Vajpayee) of India in 1999.

- Honorary Professor Deakin University Australia
- Task force member Department of Biotechnology, Government of India
- Task force member Department of Science and Technology, Government of India
- Core Member of Radiopharmaceutical of India (DCGI)
- Associate Editor Frontiers in Nuclear Medicine
- Expert Radiopharmaceuticals International Atomic Energy Agency, Vienna, Austria

Research Interest:

- Molecular Imaging Probes (SPECT-PET-MR-OI), Radiochemistry
- Coordination chemistry
- Synthetic chemistry
- Bioconjugate chemistry
